

INNOVATE, DESIGN, & THRIVE:

SHAPING FUTURES FOR LIFE

THIS SUMMER

AT GD GOENKA UNIVERSITY!

28 MAY TO
4 JUNE 2026

AGE GROUP: 13 -18 YEARS

✉ summerschool@gdgu.org

WHY CHOOSE US THIS SUMMER??

- Immerse yourself in a dynamic, activity-based programme designed to inspire growth and confidence.
- Experience premier boarding life at GD Goenka Education City, one of Delhi-NCR's leading independent schools.
- Connect with students from across the country, build lifelong friendships, and celebrate diverse cultures and traditions.
- Enjoy exciting trips and excursions, world-class campus facilities, and vibrant evening activities — from sports to outdoor cinema and beyond.

Be the best version of yourself – that's the spirit that drives us.

SUMMER SCHOOL @GDGU

Summer School at GD Goenka University invites you to become part of a vibrant global community of ideas and individuals, set amidst the serene green campus of GD Goenka Education City. As a UGC-recognized University with exemplary ranking of NAAC A+ grade, we are committed to delivering academic excellence at the highest standards. This Summer School presents a thoughtfully curated selection of courses drawn from the diverse disciplines that define Goenka's world-class teaching with experiential learning. Each programme is led by distinguished industry experts and experienced faculty members who are leaders in their respective fields, ensuring an enriching and intellectually stimulating experience.

Our bespoke programmes not only deepen academic understanding but also create opportunities to build lifelong friendships and develop networks that span across the country. By engaging with peers from diverse backgrounds, students gain fresh perspectives and broaden their horizons. Whether, you are exploring future career paths or seeking clarity about your academic interests, this Summer School serves as the perfect launchpad for making informed and confident decisions about your future.

Join us this summer to experience academic distinction, global perspectives, and an inspiring environment where ideas flourish and potential finds its direction.

ABOUT GD GOENKA UNIVERSITY

GD GOENKA UNIVERSITY: EXCELLENCE IN
EDUCATION, INNOVATION, AND RESEARCH

GD Goenka University is an internationally acclaimed and premier institution of higher education in India.

It is committed to delivering quality education that encourages research, innovation and meaningful extension work. Recognized by the UGC, the university has also been awarded a NAAC A+ accreditation , reflecting its strong academic standards and student-centric ethos.

Guided by core values of intellectual excellence, collegiality, diversity and integrity, GD Goenka University aspires to be a global leader in the 21st century higher education landscape. It is also recognized as a QS I-GAUGE "Diamond" rated university.

Our Location

Nestled in the midst of the majestic Aravalli Mountain Range, we are a 60 Acre Sustainable Campus with state-of-the-art facilities including smart classrooms, research and design labs, experience centres, sports facilities of international scale including a shooting range, a half-Olympic size swimming pool and world-class air-conditioned hostels. The vibrancy of our greens will as surely impress you as the outstanding facilities that we host.

CHOICE OF COURSES

AT GD GOENKA UNIVERSITY

Sustainable Hospitality: Serving up Culinary, Flairology, Localism & Sustainability on a Plate

Le Cordon Bleu School of Hospitality & Tourism and School of Agricultural Sciences

We invite you to participate in a distinctive Summer School program where agriculture and hospitality converge. This collaborative initiative integrates sustainable farming practices, food production, and culinary arts with core hospitality competencies, including food service management and event planning. Through immersive, hands-on activities, interactive workshops, and educational field visits, participants will gain comprehensive insight into the farm-to-table journey in a dynamic and practical learning environment.

Designing Futures. Nurturing Possibilities through AI

UID School of Design and School of Management

We are delighted to invite you to participate in our Summer School program, where creativity intersects with business excellence. Led by the Unitedworld Institute of Design in collaboration with the School of Management, this interdisciplinary initiative integrates design innovation with strategic business principles. Through experiential projects and interactive workshops, participants will develop the skills required to transform ideas into viable ventures—spanning the full spectrum from product conceptualization and design development to strategic planning and professional pitching.

Brain and Bots: A Fun Journey into Artificial Intelligence for Young Innovators

School of Engineering & Sciences, Centre of Excellence for Aerospace and Energy

Prepare for an immersive learning experience in aerospace innovation. This Summer School program, offered by the School of Engineering in collaboration with the Centre of Excellence for Aerospace and Energy, provides a comprehensive introduction to the field. Through hands-on projects, technical simulations, and expert-led workshops, participants will gain practical insights into the design, development, and operation of aircraft and spacecraft.

Sustainable Hospitality:

Serving up Culinary, Flairology, Localism & Sustainability on a Plate

KEY HIGHLIGHTS

Ignite your entrepreneurial spirit, transform ideas into hospitality ventures, explore sustainable and innovative culinary practices, master the science of exceptional food and beverage experiences, discover future-forward hospitality trends, and gain the strategic insights needed to optimize revenue and run successful ventures.

GD Goenka University has the unique privilege to host India's only Le Cordon Bleu Facility which seamlessly blends Parisian Expertise with the diversity of India's gastronomic legacy.

The school offers a variety of programmes from Undergraduate to doctoral level including BA Honors in Culinary Arts, BBA in Hospitality Management, Diploma in Culinary Arts and Pastry Arts.

If you have a passion for travel, culture, and service join the Le Cordon Bleu School of Hospitality for an immersive summer program that introduces you to the dynamic fields of hospitality and tourism.

CULINARY CANVAS

FARM TO FORK

Embark on a culinary adventure from farm to fork! Discover the magic of food production. Get insights into the sustainable production of food and harvest your own ingredients. Explore the art of cooking and food styling, and unleash your creativity as a food artist. From farm to fork, get ready to taste, create, and inspire!

Harvest Harmony: Exploring Garden Farming and the Art of Food Production

Designing Futures:

Nurturing Possibilities Through AI

KEY HIGHLIGHTS

Build a strong foundation in Design Thinking across disciplines through immersive design sprints and collaborative exploration. Participants gain hands-on studio experience in advanced labs, complemented by interactions with industry experts. The curriculum emphasizes focused design development—ideate, iterate, and create—turning ideas into tangible outcomes. It also explores the role of AI in shaping the future of design, encouraging innovation while promoting ethical and responsible practices.

At Unitedworld Institute of Design (UID), GD Goenka University, creativity meets innovation to shape the designers of tomorrow. The school offers dynamic programs across Fashion Design, Product Design, Interior & Furniture Design, Visual Communication, and Game & Animation Design, blending artistic exploration with industry-driven learning. With state-of-the-art studios, industry collaborations, live projects, and global exposure opportunities, UID nurtures critical thinking, craftsmanship, and entrepreneurial vision. The Undergraduate Programmes are designed to empower students with both conceptual depth and technical expertise. If you are passionate about design, innovation, and shaping meaningful experiences for the future, join UID at GD Goenka University and transform your creative potential into impactful design career.

LEADING MINDS, DRIVING MARKETS, SHAPING FUTURES.

Build a brand identity, design marketing campaigns, experience stock market investing through simulations, analyze business data using dashboards, and create engaging social media content. By the end of the programme, students gain practical exposure to modern business tools while developing skills in strategic thinking, financial literacy, data analysis, communication, and digital storytelling.

School of Management (SOM) at GD Goenka University, academic excellence meets industry relevance to shape the business leaders of tomorrow. We offer diverse programmes from undergraduate to doctoral levels, including BBA / BBA (Hons.), B.Com / B.Com (Hons.) in association with ACCA, and specialized BBA programmes in AI & ML, Analytics, Operations & IT Supply Chain Management, and Digital Marketing, along with MBA and Ph.D. (Full-Time & Part-Time). Join our programme and experience how emerging technologies meet industry needs; nurture strategic thinking, and learn how innovation and data-driven decision-making are a must for an impactful careers in business and research.

SCHOOL OF ENGINEERING & SCIENCES
CENTRE OF EXCELLENCE FOR AEROSPACE
AND ENERGY

Brain and Bots:

A Fun Journey into Artificial Intelligence for Young Innovators

KEY HIGHLIGHTS

Step into the future with a bold, industry-driven AI & Machine Learning experience—learn to build intelligent systems, transform data into powerful decisions, drive innovation across industries, engage with experts in live sessions, and gain hands-on mastery of cutting-edge AI tools, programming languages, and real-world deployment techniques.

Tinkered with toys and fascinated with Space? Do you wonder how machines think? Are you intrigued by the possibilities of artificial intelligence? Welcome to a dynamic programme that brings together the mysteries of space with Aerospace & the Mechanics behind Machines with Engineering. Our collaborations with industry leaders such as L&T, IBM, Bosch, NVIDIA, Microsoft, and Northstar ensures industry-aligned education. Get ready to immerse yourself in a futuristic course where machines 'think' and the imagination stretches to the cosmos.

The Art of Flying:

A hands-on approach to learning Aeronautics and Astronautics

Master the science of flight and space exploration—explore aerodynamics and astrodynamics, uncover the mechanics of satellites and space missions, gain hands-on insights into astronomical instrumentation with International Experts, and dive deep into the origins and evolution of the cosmos.

The Centre for Aerospace & Energy Studies at GD Goenka University provides a unique blend of cutting edge studies in Aerospace and Energy and project based execution. The centre offers a variety of programmes from Undergraduate to doctoral level including B.Tech. in Aerospace Engineering and Energy Engineering, M.Tech. in Aerospace Engineering, Nuclear Power Sources and Renewable Power Sources.

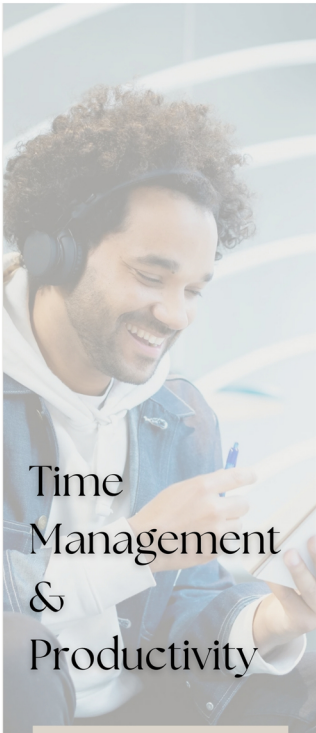

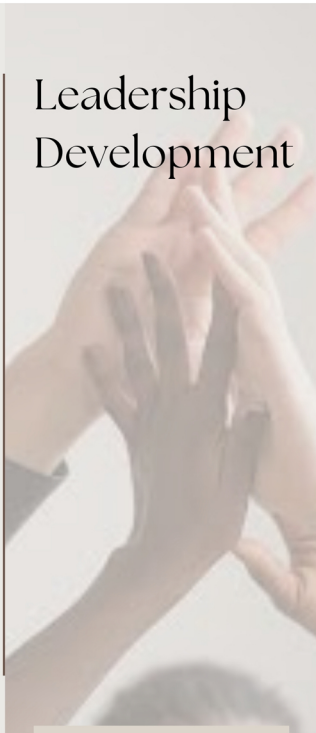

If you have a passion for learning about Aerospace Engineering, Space Science and Energy while contributing to the bleeding edge of technology development for the future join the Centre for Aerospace and Energy Studies for an immersive summer program that introduces you to the most dynamic fields of the future.

UNLOCK YOUR POTENTIAL: PERSONAL & PROFESSIONAL DEVELOPMENT SESSIONS

Embark on a transformative journey of self-development designed to complement your specialization courses. Our thoughtfully curated sessions and workshops are crafted to enhance both personal effectiveness and professional excellence. Explore:

<p>Effective Communication Skills</p>	 <p>Confidence Building</p>	<p>Emotional Intelligence Training</p>	 <p>Public Speaking Mastery</p>
---	---	--	---

 <p>Time Management & Productivity</p>	<p>Stress Management Workshop</p>	 <p>Leadership Development</p>	<p>Networking & Relationship Building</p>
---	---	--	---

Empower yourself with skills that transcend the ordinary – join us in shaping a brighter future.

- Visits to Aerospace, design and culinary arts Labs
- A minimum of 5 hours of subject matter exposure with Hands-on experience each day.
- Soft skills development through workshops in theater, music, calligraphy, clothes design, events management.
- Leadership & organizational skills building through planning and execution of **CULMINATION DAY followed by Gala Dinner**
- **Recreational Activities:** visit to local attractions and dine out
- Boarding for the entire duration
- Food – breakfast, lunch and dinner
- Welcome and Farewell Lunch for the participant and family
- Certificate upon successful completion of programme

HOW TO BOOK & WHAT HAPPENS NEXT?

Academic Entry Requirements

Applicants must demonstrate a strong interest and adequate proficiency in the programme they choose. Entries will be shortlisted on interview basis. A good standard of spoken and written English is required.

Programme Fee & mode of payment

INR 45,000/- including tuition fee, social programs, boarding & meals. Airport transfers can be arranged if necessary for an additional cost (please enquire). The fee does not include air fares.

Important Information for Schools

This program has been designed for school groups travelling together, and we encourage teachers to join us too. We offer one free teacher place for every group with a minimum of six students.

Accommodation & Transport

We offer Four sharing (TBC) accommodation at the Boys and Girls Hostel facilities, each with proximity to the Le Cordon Bleu and the host of Recreational facilities on campus. A Bus shuttle service will ferry you to and for off-site locations and for any city visits. As your safety is paramount to us, and we have taken special care to keep travel distances minimal.

Let your Summer School earn for you

We will refund 50% the tuition fee* for the Summer School if a student enrolls in for the 2026 intake or has already enrolled in any of our courses for the 2026 intake. If you subsequently confirm admission to any one of our programs, we will give you a waiver of Rs. 10,000 in tuition fee. This benefit is applicable up to three years from your Summer School completion date.

HOW TO APPLY?

Apply online by visiting our **website**

www.gdgoenkauniversity.com/summerschool

In case of any queries write to us at **summerschool@gdgu.org**

Please complete all relevant sections of the application form in full.

You should return this application form to your local education counselors or directly to **summerschool@gdgu.org**

Please note: Places on this course are limited and we reserve the right to close applications early. You must submit your application by Friday 22 May 2026 at the latest, and you are advised to have your travel bookings in place by this date.
