# Examination Admit Card for End-Term Examinations (ETE)

1. Students who are meeting the eligibility criteria requirements for appearing in end term examination will be issued an Admit Card from ERP. Students can download/print the Exam Admit Cards from the ERP online portal service of the University. The Exam Admit Card will be issued by the University based on the attendance criteria in each course unit with no dues against the student. All the University's students have to fill up the Examination Registration Form for Regular/ Reappear/ Repeat/Improvement courses and have to complete the courses registration process on the ERP.

2. The Exam Admit Card will reflect only those courses where student is meeting the eligibility criteria with the date and time of the examination.

3. For any discrepancy in the Exam Admit Card, student needs to report the discrepancy to the School Coordinator before the commencement of examinations
