## About the Program

School of Law GD Goenka University is happy to announce blended Faculty Development Programme in Innovative Teaching & Research Methods in Law.

The focus of the Faculty Development Programme (FDP) in teaching and research skills will be on upgrading the innovative teaching and research skills of the participants. The FDP will focus on the following topics:

- Outcome based teaching and learning methods
- Case law methods of teaching and case based research
- Using new technologies for teaching and multidisciplinary research
- Qualitative , Quantitative and Mixed methods approaches
- Developing a strong research proposal writing to get funded project
- Preparing legal research papers for high impact factor journals

The Faculty Development Program will end with a Paper Development Workshop where participants (Faculty, Professionals, and Scholars/PG Students) may discuss their research ideas with resource persons.

## Highlights

- Exposure to tips for crafting and conducting quality teaching and research in law.
- Opportunity to network with leading resource persons from industry and academia.
- Opportunity to seek specific inputs on your work from reputed academicians.
- Opportunity to prepare legal studies research papers for high impact factor journals-from idea to publication.
